COVID-19 and CSP Meetings

Important information regarding COVID-19 and CSP Meetings: CSP will adhere to the preventative guidelines issued by the California Department of Public Health, local county and city ordinances and the CDC to prevent the spread of Coronavirus (COVID-19). CSP will work closely with the meeting venue to follow proper cleanliness and sterilization of common spaces. At this time, CSP does not require proof of COVID-19 vaccination but strongly recommends attendees who are not fully (boosted) vaccinated against COVID-19 wear a face covering at all times while in public spaces.

Cancellation Policy: Cancellation and refund requests must be submitted in writing. No refund will be issued within 14 days of the event with the exception of testing positive for COVID-19. Proof of a positive COVID-19 PCR test is required to receive a full refund. No Shows will not receive a refund.
